Our goal at BHBC is to help you discover how God has uniquely wired you for His service. We use an assessment tool to connect you with a ministry that brings you joy. This tool helps you learn more about your personality, spiritual gifts, abilities, passions and experiences and how all these things work together to match you to a ministry.

**You can access our PLACE**  
**assessment:**

~Through the workbook available in our Media Center.

It is through the PLACE program that members find the place they belong.
